5.10 Does the University have a continuous internal evaluation system?

Yes, the University follows a well-structured Continuous Internal Assessment (CIA) system to monitor and evaluate student performance throughout the semester consistently and comprehensively. Under this system, three internal assessment tests are conducted at regular intervals during the semester. These tests are designed to assess students' understanding of the syllabus progressively, rather than relying solely on a single final examination. This approach encourages continuous learning, better retention, and timely identification of academic gaps. The internal marks are distributed out of 50, ensuring a balanced evaluation of different aspects of student performance. The breakup is as follows:
Assessment Tests (30 marks)
Assignments (10 marks)
Attendance (10 marks)
 Regular attendance is encouraged and rewarded, reflecting the importance of consistent participation in classroom activities and academic discipline. Overall, the CIA system ensures a holistic evaluation process, focusing not only on academic performance but also on student involvement, regularity, and continuous improvement. It reduces exam-related stress and promotes a more effective and student-centered learning environment

5.12	How are the question papers set to ensure the achievement of the course objectives?	<i>The setting of question papers is carried out in a well-planned and outcome-based manner to ensure the effective achievement of course objectives. Each question in the paper is explicitly mapped to a specific Course Outcome ensuring that the assessment directly evaluates the intended learning outcome of that unit/module. This mapping guarantees that students are tested on the competencies defined in the syllabus. The question paper incorporates multiple cognitive levels based on the revised Bloom's taxonomy which ensures a balanced evaluation ranging from basic knowledge to analytical skills. This comprehensive approach ensures that all course objectives are effectively assessed, promoting holistic learning and evaluation of students.</i>																					
5.13	State the policy of the University for the constitution of board of question paper setters, the board of examiners and invigilators.	<i>The Board of question paper setters have been constituted for each school. The board have approved by Pro chancellor, Vice Chancellor and Controller of examination. A board of examiners have a composition of chairperson, external examiners and evaluation coordinator A board of invigilators is formed by controller of examinations with a composition of invigilators.</i>

Tamil & English is the Bilingual policy will be followed in Tamil Nadu
speech by Higher Education Minister Ponmudi at Jeppiaar University
inaugural ceremony

Honorable Minister for Higher Education, Dr. K. Ponmudi **inaugurated**
Jeppiaar University in Chennai and laid the foundation to Economic
Quality Education for decades to come.

Jeppiaar University was inaugurated by Dr.K.Ponmudi, Honorable Minister
for Higher Education, in the presence of Principal Secretary to Higher
Education Department, Dr. D. Karthikeyan, IAS, Dr.S.Jagathrakshakan,
Politician, MP, Loksabha, Dr. Remibai Jeppiaar, Founder, Jeppiaar

Babu Manoharan, Chairman, St. Joseph's Group of Institutions, Dr. Mariazeena Johnson, Chancellor, Sathyabama Institute of Science and Technology, Dr.Marie Johnson, President, Sathyabama Institute of Science and Technology,

During his inaugural address, Dr.K.Ponmudi conveyed that JEPPIAAR UNIVERSITY is all set to render quality education with practical training in the domains of Arts, Science, Humanities, Management and Engineering assuring exceptional placement opportunities to the aspiring students.

Dr.K.Ponmudi highlighted the significant contributions in education by the Founder Chairman, (Late) Col.Dr. Jeppiaar for the commitment of this esteemed educational establishment in providing standard education to students from economically deprived sections social setting at affordable cost and sincerely training them to elevate to greater positions in the society was strongly appreciated by Dr.K.Ponmudi.

Dr.K.Ponmudi reminisced the golden words of our Late Honorable Chief Minister Dr. M. Karunanidhi. "Education is not subject to time limits but is a wealth to be sought and acquired without drawing a boundary line till the

day of living" and wished the Jeppiaar University to work in compliance with these wise words. Dr. K. Ponmudi conveyed his heart felt commendation to Dr. M. Regeena Jeppiaar, Chancellor, Jeppiaar University and Thiru. S. Murali, President, Jeppiaar University for the right decision at the right time in laying the foundation of Jeppiaar University.

In the 60s and 70s only Madras University and Annamalai University existed But now the situation has changed, there are more than 50 colleges in each district. Dravidian model government is the only development that has happened in education.

Tamil Nadu Chief Minister said that during the time when he studied, girls did not go to schools at all, but now a large number of girls are studying in colleges, this is the Dravidian model government...The time when only the upper castes could study has changed and now everyone can study. Everyone is equal. This is the Dravidian model.

Bilingual policy is very important in Tamil Nadu. Bilingual policy of Tamil and English is sufficient for Tamil Nadu. Tamil language is sufficient for speaking in Tamil Nadu and English is sufficient for speaking globally. Other languages are not required so Jeppiaar University should follow bilingual policy...

The new education policy says that public examination should be conducted for class 5th, class 8th and class 10th then the number of students studying will be affected so there is no need for such a policy. Jeppiaar , who grew up following the Dravidian model.

Dr. Ponmudi wished JEPPIAAR UNIVERSITY all success and blessings for the years to come.

Item No. 4: General Discussion

- BoS Members suggested that every final year project must be mandatorily done in industry or in industry-oriented units.
- Dr. Surendiran. B from NIT pointed out hiking demand in Cyber security programs that opens up multitudes of opportunities for the students in several government and private sectors. They insisted on checking with the frame works of other popular universities who have adopted this domain.
- BoS Members suggested that NPTEL courses with respect to specific domains should be added to the curriculum which should be at least 12 weeks long program gaining 3 credits. If the student undergoes only 8 weeks of training, then the credit will be 2. Any of the NPTEL courses chose by the students to add credit to their profile should necessarily approved by academic council.
- BoS members suggested that 3 Credits can be allotted to 'Universal Human Values' and also mentioned that this subject has to be included in the curriculum of all courses.
- Dr. Nachiyappan from VIT emphasized their points with reference to VIT's functioning in which the final year students will not be in college as they start their journey as interns. Every project starts in the 7th semester and by the 8th semester the students go for fulltime jobs. The Phase I project carries 14 credits while the Phase II project carries 6 credits totally allotting 20 credits for projects. Thus, concluding that the final year VIII semester wouldn't have any elective subjects instead students will have to do a fulltime industry based projects.
- The BoS members insisted on grouping list of electives under verticals like Data Science, Artificial Intelligence, Emerging electives and these electives can be restricted to be taken in particular years.
- BoS Members suggested that students could be allowed for internships during 4th, 5th and 6th semester, and 2 credits can be given to students who have successfully completed

internships with a minimum duration of 20 days.

- Dr. Vivekanadan from Pondicherry University suggested that apart from the regular courses, mandatory zero credit courses like EVS and ethics were listed and Expert members insisted on adding some new and intriguing subjects like 'Biology for Engineers', Constitution, Environmental Science, Economics for Engineers etc.
- Dr. Vivekanadan also suggested adding Honors and Minors in the long run which gains extra 20 credits. Minor are degrees that are exclusively interdisciplinary.
- The Diploma course syllabus are completely framed from DOTE frame work. Adding internships for Diploma candidates was emphasized by BoS Members.
- The plans for BSc Viscom and Electronic media to begin a celebrity assessed learning environment in the near future with the aid of high - tech equipment in collaboration with Industry was discussed.
- Members insisted the benefits of signing MOU with Pondicherry University which would open up a vast range of opportunities that includes utilizing lab facilities, conducting conferences, Research collaborations etc.
- The Panel members suggested to bring in industrial experts directly to the class rooms as '**Adjunct Professors**' who do not need higher qualification or a PhD degree to teach. This gains industrial support for students extending their chances of global opportunities.

Recommendations of BoS Members

1	BoS strongly recommended to release First Year Academic syllabus with review of corrections.
2	BoS strongly recommended Communication lab and Internships for each course to be

	followed.
3	strongly recommended NPTEL courses should be offered as choice for 3 credit and 2 credit Theory courses.
4	BoS strongly recommended that no elective subjects should be offered in VIII semester for Engineering courses and students should be allowed for full time Industry based Projects.
5	BoS strongly recommended that the courses B.Sc Visual Communication and B.Sc Electronic Media shall be moved to School of Arts Humanities and Management. Also B.Sc Computer Science shall be moved to School of Sciences and Allied Health Sciences as these courses donot come under School of Engineering and Technology.

All the relevant suggestions of BoS Members were noted by respective Dean's and the first BoS Meeting ended with Vote of Thanks by Pro-Chancellor Dr. Shaleesha A. Stanley.

Dr. Shaleesha A. Stanley, Pro-Chancellor, chaired the meeting and welcomed all the members to the first BOS meeting. She introduced Dr.N.Padmavathy, Dean - School of Arts, Humanities and Management. Dean - School of Arts, Humanities and Management, Dr. N. Padmavathy introduced the panel members of School of Arts, Humanities and Management.

At the outset, Pro-Chancellor informed the members about the academic activities and newly introduced courses in Jeppiaar University. Having confirmed the quorum of the meeting, the agenda of the meeting was taken up for discussion. The following points were discussed during the meeting:

1. Item No. BOS/01/01

To consider and approve the text book for all the courses

Categories in the syllabus tagged as 'Text Book' should comprise of the primary text which has to be read and understood by the student to form the foundation of the subject.

2. Item No. BOS/01/02

To consider and approve the language subject, LOCF for all the courses

- It was suggested that a common syllabus for Tamil and Part – II English has to be framed which will be common for all the other disciplines.
- BOS recommended to prepare LOCF (Learning Outcome based Frame work) for all the courses.

3. Item No. BOS/01/03

To consider and approve other foreign languages.

Expert for other languages like French/German should be available.

4. Item No. BOS/01/04

To consider and approve the syllabus for B.A. English

REGISTRAR
JEPPIAAR UNIVERSITY
 RAJIV GANDHI SALAI,
 CHENNAI - 600 119.

- Experts insisted on having a Part –II English paper for the first four semesters of B.A. English.
- BOS Members recommended to include Australian literature in the syllabus.
- The Experts questioned the contextual relevance of the ‘Introduction to Academic Management’ paper and queried the necessity with reference to domain.
- According to the experts, at least one paper on Shakespeare should be included in the curriculum. Excluding it would create a lack in an important aspect from the ‘Golden period of Literature’.
- Three papers on literary criticism are considered overboard by the experts. Of the three Literary papers, it would be suffice if one paper is based on ‘Literary terms and forms’ and the other could be ‘Australian Literature’. Thus concluding that one paper on literary criticism is more than suffice.
- The expert suggested to include some important papers like Post-colonial Literature, South Asian literature etc.
- The Experts sternly pressed the inclusion of a paper based on the ‘History of English Literature’ with a brief outline the social history of England.
- In addition to literary point of view, BOS Expert emphasized on adding non-literature papers that renders training in writing and reading. He also stressed offering special advance level trainings in Content writing, Journalism, Dynamics of interpersonal communication etc. which would aid the student in building up a elegant professional rapport.

5. Item No. BOS/01/05

To consider and approve the assessment plan for B.A English

- For Continuous Internal Assessment Plan, BOS suggested the 2 Assessment + 1 Assignment / seminar pattern with 100% in End of Semester exams. He also enquired about the application implementation of both written and oral mode of assessment with respect to subject relevance. As for Phonetics, only oral mode is recommended.

6. Item No. BOS/01/06

REGISTRAR
JEPPIAAR UNIVERSITY
 RAJIV GANDHI SALAI,
 CHENNAI - 600 119.

To consider and approve the syllabus for B.A Political Science/B.A. Sociology

- BOS Experts recommended that in Soft skill – I or II should include communicative English, Creative English, Internship programme.
- For Core 6, 7 papers new title can be given.
- Core 1, 2 subjects looks similar, one of the subject should be changed.
- Value education, creative skills can be common for all UG courses
- Internship like village panchayat, Gram Sabha can be added in 5th semester.
- Field visit to Constituency, Legislative Assembly can be included.
- Western Political thought- I, II Indian Political Thought –I,II can be included.
- Public Policy in India can be given instead of Policy Science.

7. Item No. BOS/01/07

To consider and approve the syllabus for B.Sc. Fashion Design

- BOS expert suggested to change Environmental Studies into Theory paper.
- Upcycle fashion paper can be given in semester 5.
- Language paper can be included.
- In Advanced computer application paper, Adobe Illustration can be included in the syllabus.
- History of art & Fashion to be changed.
- Fashion styling, Grooming, Costing, Pricing can be included.
- Professional Ethics can be introduced as mandatory paper.
- Professional Development focusing on Etiquette can be introduced in semester 5 or 6.

8. Item No. BOS/01/08

To consider and approve the syllabus for B.A Tamil

- In semester 1, 2 flexible courses can be introduced.

9. Item No. BOS/01/09

To consider and approve the syllabus for B.Com. Gen/B.Com (Corporate secretaryship)/BBA/ MBA
