SOCIETIES

Societies are part of the university experience to join a society. It's a great opportunity to meet new people, learn a new skill or find a new talent one didn't know what they had. Joining a society can be overwhelming, especially for students who find social situations scary, but it is one of the best decisions of students to make during their experience as a student. Read on to find out the different types of clubs and societies you can be a part of and the positive benefits of including them in your hectic student life. We are the members of IEEE, CSI, ICT, CII, IET
