

International Exposure & Student Immersion Program Report

Date: 10th March – 15th March 2025

Place: Universiti Teknologi Petronas (UTP), Perak, Malaysia

Introduction

The International Exposure and Student Immersion Program was organized from 10th March to 15th March 2025 at Universiti Teknologi Petronas (UTP), Perak, Malaysia. The objective of this program was to provide students with international academic exposure, hands-on learning experiences, cultural exchange opportunities, and networking with global professionals and students.

A team consisting of myself, **Dr. R. Kandavel**, and **eight students**

1	23JUAI108	NEBINSON N	B.TECH CSE
2	23JUAI234	SAMUEL ASIRRAJA S	B.TECH CSE
3	23JUBT116	PRATHESHA P	B.TECH
4	23JUBFS101	SANTOLINA ASHWINI F	B.Sc Forensic Science
5	24JUBBA140	YATHIN M	BBA
6	24JUBBA138	SARATHCHANDRAN RR	BBA
7	24JUBBA101	ABISHEK	BBA
8	24JUBBA120	HARISH K	BBA
9	24JUBBA141	VEERENDRA REDDY T	BBA
10	24JUBCG160	SURYA M	B.COM

participated in this enriching academic and cultural experience. The program included university visits, expert sessions, technical workshops, student interactions, and cultural excursions.

Program Itinerary & Activities

Day 1: 10th March 2025 – Arrival & Settling In

- Our team, consisting of myself and eight students, arrived at **Kuala Lumpur International Airport (KLIA)**.
- We were warmly received by **Ms. Khairinnisa and Mr. Jayasuriya**, staff from UTP.
- We visited the **Putrajaya Malaysia Ministries Office**, gaining insights into Malaysia's administrative and governmental setup.
- Later, we reached **UTP campus**, where we settled into our accommodations and prepared for the upcoming sessions.

Day 2: 11th March 2025 – Welcoming Ceremony & Workshop on Machine Learning

- A **welcoming ceremony** was conducted at UTP to officially receive our delegation.
- I, **Dr. R. Kandavel**, had the honor of felicitating UTP officials.
- A **campus tour** was arranged, showcasing UTP's state-of-the-art infrastructure and research facilities.
- **Technical Session: *Practical Application of Machine Learning in MATLAB***
 - Conducted by **Mr. Mahmudul Hasan**, Research Scientist, UTP.
 - The session provided hands-on experience in applying machine learning algorithms using MATLAB, benefiting students in data analysis and AI-related projects.

Day 3: 12th March 2025 – Research Strategies & Quiz Competition

- **Technical Session: *Research Excellence: Strategies for Starting and Publishing in Quality Journals***
 - Conducted by **Dr. Ramanikannan**, UTP.
 - The session covered essential aspects of **research methodologies, journal selection, writing techniques, and publishing strategies** to help students enhance their research skills.
- **Quiz Competition:**
 - A quiz competition was organized, testing students' knowledge on various technical and general topics.
 - **Ms. Pratheesha and Mr. Nebinson** emerged as winners, showcasing their outstanding knowledge and quick thinking.

Day 4: 13th March 2025 – Student Engagement & Cultural Visit

- **Student Interaction Session: *Student Activities and Engagement***
 - A networking session was conducted, allowing our students to interact with **Indian and UTP students**.
 - The session fostered cross-cultural discussions, academic collaborations, and knowledge sharing.
- **Cultural & Heritage Visit:**
 - **Rock Museum** – Explored the geological significance of the region.

- **Ipoh City & Concubine Market** – Discovered the historical and cultural heritage of Ipoh.
- **Chinese Temple & Lord Murugan Temple** – Experienced the spiritual and architectural beauty of these religious landmarks.

Day 5: 14th March 2025 – Departure from UTP & Kuala Lumpur Tour

- Departed from UTP and traveled to **Kuala Lumpur** for a city exploration.
- **Places Visited:**
 - **Petronas Twin Towers & Skybridge** – Witnessed the iconic skyline of Malaysia.
 - **Bukit Bintang** – Explored the vibrant shopping and entertainment hub of Kuala Lumpur.

Day 6: 15th March 2025 – Cultural Visits & Departure

- **Visited:**
 - **Batu Caves Lord Murugan Temple** – A significant Hindu pilgrimage site with stunning limestone caves.
 - **Chinatown & Central Market** – Experienced local Malaysian markets, traditional crafts, and souvenirs.
- **Departure:**
 - In the evening, we departed from **Kuala Lumpur International Airport** and reached **Chennai safely**, concluding our enriching international experience.

Conclusion

The **International Exposure & Student Immersion Program at UTP, Malaysia**, provided an invaluable learning experience, blending **academic knowledge, cultural exposure, and global networking opportunities**. The technical sessions enhanced students' **research and practical skills**, while interactions with UTP students fostered **cross-cultural friendships**. The cultural excursions further enriched our understanding of Malaysia's **heritage, traditions, and modern advancements**.

This program was a **significant step toward international academic collaboration**, equipping students with global perspectives and enhancing their future career prospects. We extend our sincere gratitude to **Universiti Teknologi Petronas (UTP), the organizers, faculty members, and all participants** for making this program a grand success.

Dr. R. Kandavel
