- 6. FICCI – FLO**
- 7. BOAT**

### **1.INFOSYS**

Jeppiaar University has a strategic partnership with Infosys to advance career opportunities of students. This collaboration seeks to enhance learning opportunities by combining the expertise and resources of these institutions. It underscores a shared commitment to academic excellence and equipping students with the skills required to succeed in today's dynamic world.

## **2. L&T EDUTECH**

Jeppiaar University has signed an MOU with L&T Edutech that offers cutting-edge educational programs, innovative training, and skill development initiatives. The partnership will foster knowledge exchange and expertise sharing, benefiting students, faculty, and the broader academic community.

## **3. Cyber intelligence academy**

Jeppiaar University is honoured to sign an MOU with Cyber Intelligence Academy. The objective of this MOU is to upgrade the skills through various training programs in the field of emerging technologies for the students, faculty, and staff of JEPPIAAR UNIVERSITY. This engagement aims to implement short-term awareness and skill competency development programs, including Foundation and Deep Skill courses in the field of emerging technologies. The learning intervention will keep them updated with the key trends/challenges faced in today's cyber ecosystem.

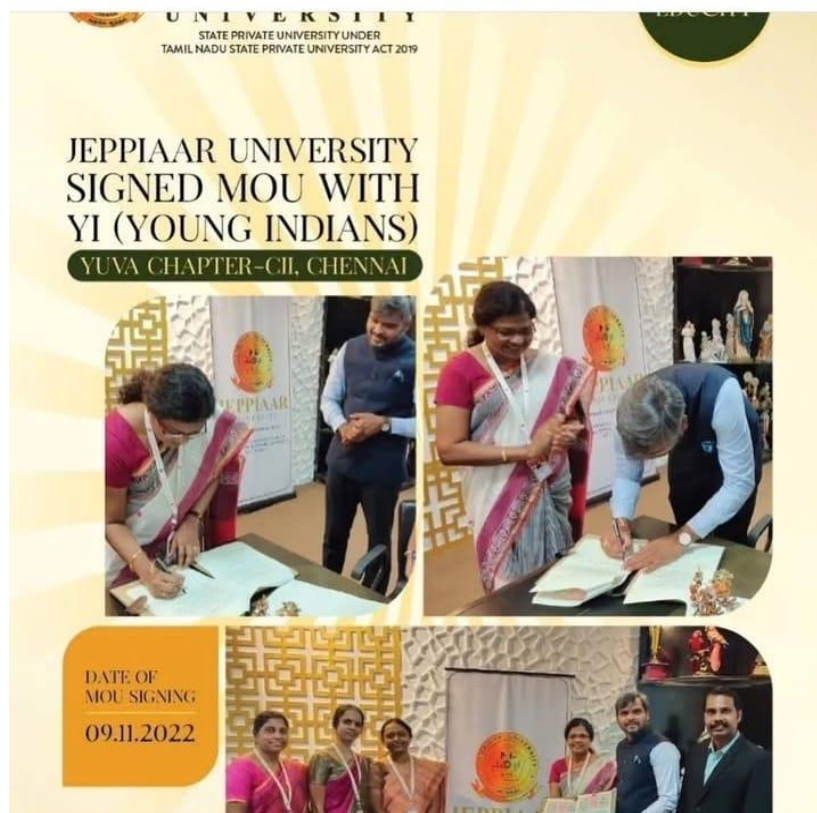

#### **4. Rubicon**

Jeppiaar University has signed an MOU with Rubicon, aiming at the career enhancement and employability skills of the students. To enhance employability skills and interpersonal competence of the students various training activities such as SWOT Analysis, Corporate Jargons, Public Speaking, Presentation Skills, E-mail Etiquette, Grooming, Body language, Telephone Etiquette, Group Discussion, and Personal Interview training are ensured through this collaboration.

## 5. YI – YOUNG INDIANS

Jeppiaar University is honoured to have a collaboration with YI-YOUNG INDIA, aimed at enhancing the social skills of the students. Yi's mission to strengthen the future of India gives a stage and voice to the country's next generation of change makers. It aims to instil in young minds the power of leadership, enhance the youth entrepreneurial ecosystem, and create youth-led changes to build the nation. The collaboration would enhance student commitment to address social responsibility and evolve as future leaders.

## 6. FICCI FLO

Jeppiaar University is honoured to sign an MOU with FICCI FLO, Chennai on 25-01-2025. The MOU aims to create meaningful synergies between academia and industry to nurture next-generation women leaders and entrepreneurs to enhance innovation and gender inclusivity. The MOU was signed by the

honourable Chancellor and Founder of Jeppiaar University, Dr. Regeena J. Murali, in the presence of our distinguished Vice-presidents, Vice-Chancellor, Registrar, Dean, School of Engineering and Technology, Dean, School of Arts, Humanities and Management, and Dean, Student Development Activities.

## 7. BOARD OF APPRENTICESHIP TRAINING

This MOU is for collaboration between parties to support the implementation of the apprenticeship component in the final year degree courses under the National Apprenticeship Training Scheme. Implementation shall apply to final-year students. Implementation of the Industrial training component in different courses in the institution. Boat and University will work together to identify suitable apprenticeship opportunities for students. After successful completion of on-the-job training, a certificate assessment would be issued.
