

# ANNUAL REPORT – 2024-25

I am happy to present the Annual Report before you, which reflects our University's progress for the academic year 2024-25.

Our Jeppiaar University is a state-private university established in 2022. This is not just a recent addition to the education sector, but an extension of the visionary journey initiated by the Late Hon. Col. Dr. Jeppiaar through the Jeppiaar Educational Trust. With the dynamic leadership of our Honourable Chancellor, Dr. Regeena J. Murali, the Respected President, Mr. Murali Subramanian, and the young and energetic Vice Presidents, Mrs. Margerette and Ms. Magalene, along with advisor Mr. Prakash, our university is achieving excellence in every arena it forays into

Our University offers multidisciplinary academic programs in various fields and has been broadly structured into five Schools.

School of Engineering and Technology

School of Arts, Humanities and Management

School of Science and Allied Health Sciences

School of Physical Education and Sports Sciences

School of Aviation

# JEPPIAAR UNIVERSITY

## COURSES OFFERED

### School of Engineering & Technology (SET)

- B.Tech Computer Science and Engineering
- B.Tech Computer Science and Engineering (Artificial Intelligence & Data Science)
- B.Tech Computer Science and Engineering (Artificial Intelligence & Machine Learning)
- B.Tech Computer Science and Engineering (Cyber Security)
- B.Tech Electronics and Communication Engineering
- B.Tech Biotechnology
- M.Tech Computer Science and Engineering
- M.Tech Software Engineering
- Ph.D Computer Science and Engineering (FT / PT)

### School of Science and Allied Health Sciences (SSAHS)

- B.Sc Biotechnology
- B.Sc Forensic Science
- B.Sc Psychology
- B.Sc Computer Science
- M.Sc Biotechnology
- BCA Bachelor of Computer Applications
- Ph.D Allied Health Sciences (FT / PT)

### School of Physical Education and Sports Sciences (SPESS)

- B.Sc Sports Sciences
- B.Sc Physical Education
  - M.Sc Yoga
- Diploma in Yoga

### School of Arts, Humanities and Management (SAHM)

- B.Com General
- BBA (Digital Marketing)
- BBA (Shipping and Logistics Management)
- BBA
- MBA
- MBA (Shipping and Logistics Management)

## CURRICULUM

A curriculum revision exercise has been initiated in the last academic year, facilitating a learner-centric experience for the students. Our new academic regulations provide credits for national and international accomplishments, self-paced study, startup activities, Skill enhancement training, and value addition through co-curricular and extracurricular activities.

## RESEARCH

Our University is proud to have faculty members who are either doctorates or are in the process of earning their doctoral degrees. Due to the significant improvement in our university research standards and Quality of Ph.D, many faculty members from other institutions and industries have enrolled in our university to carry out their research. Infrastructural development and augmentation for research facilities have resulted in a quantum jump in the number of research publications/ patents/ books, participation in seminars, conferences, workshops, delivering lectures, and managing research projects.

## COLLABORATIONS WITH UNIVERSITIES

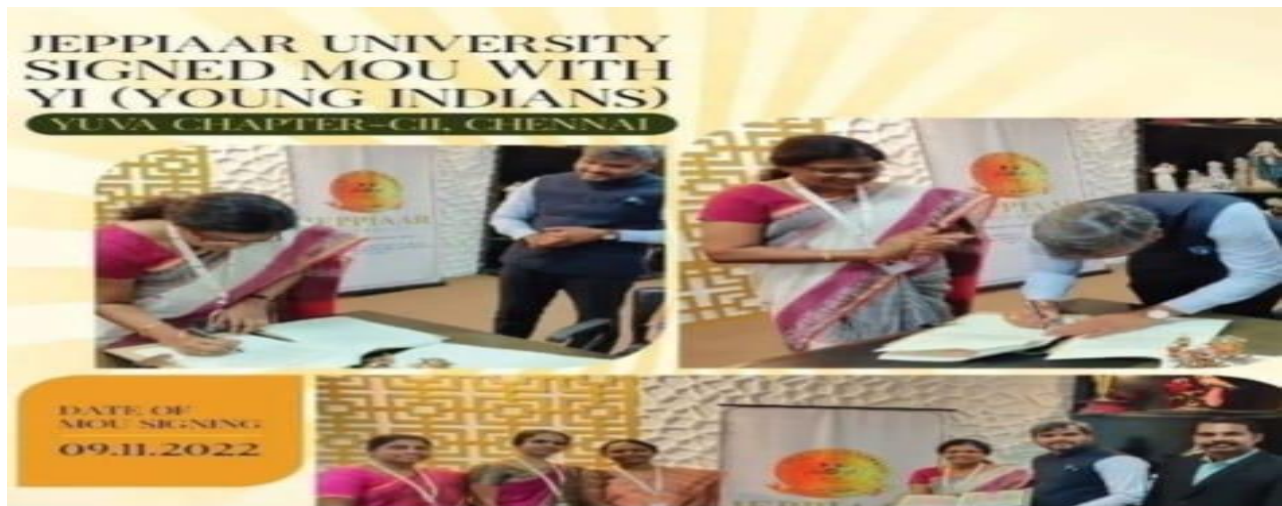

Our University has an MOU with many leading universities during the academic year 2024-25, like Judson University, Illinois, USA, the University of Granada, Spain, Handong Global University, Korea, and University Teknologi Petronas, Malaysia, for reciprocal student /faculty exchange, research, and internships. During March 2025, 10 Students of our University completed a 10-day internship at University Teknologi Petronas (UTP), Perak, Malaysia. The students have gained international academic exposure, hands-on learning experiences, cultural exchange opportunities, and networking with global professionals and students. 5 final-year students of our University are currently in the process of preparing for the Semester exchange programme at Handong – Global University, where full tuition fees have been waived.

## COLLABORATION WITH INDUSTRIES

The university is connected with Centres of advanced learning through collaborative arrangements and MoUs. Our university has signed an active and potential Memorandum of Understanding with INFOSYS, L&T Edutech, Cyber Intelligence Academy, Ficci flow, Rubicon Academy, ABK- Japanese language school, Score getter Go Abroad, Two students have completed a Japanese course in association with ABK – AOTS DOSOKAI.

## GOVT INTERNSHIP

Our university offers exceptional opportunities for students in Engineering, Arts, and Science to gain valuable work experience and earn a monthly income of 10,000 Rs or more while pursuing their final-year degree program. To facilitate this, we have signed an MOU with the Board of Apprenticeship Training (BOAT) team, which has identified suitable internship opportunities for our students.

## **SCHOLARSHIPS**

Our management awards Founder scholarships of Rs 2 crores to economically disadvantaged students from rural areas as well as to students who have demonstrated excellence in sports. Awards/recognitions have also been given to outstanding students and faculty members based on their overall merit and research contributions to our university. Employees' wards are also getting a full fee waiver.

## **CONVOCATION**

The first convocation of MBA batch 2022-24 was a momentous occasion marking a significant mile stone in our journey. We proudly celebrated the graduation of 69 students, all of whom successfully completed their MBA program in first class with 100% pass rate. Among them, 21 students graduated with distinction, including 1 gold and 2 silver medalists. The convocation ceremony for the 2<sup>nd</sup> Batch of MBA students is proposed to be held by Aug 2025 and our first convocation for engineering students are expected to take place by next year 2026.

## PLACEMENT

We are proud to announce that 90% of our students have secured job placements across various government sectors as well as private organizations and some of the students are pursuing higher studies. Our first and second batch of MBA students are placed in Government sectors, including the western railway, South Eastern Railway, Bank of Maharashtra, Tamil Nadu police, and Postal Department, reflecting the institution's commitment to diverse and impactful career opportunities. Some of the students are placed in different private organizations like HDFC Bank, HDFC life, Kotak Life, Q spider, KNV Capital, First Source Solutions Ltd, Durus Consulting Ltd, with a salary of 4-5 lakhs /annum and few students have become successful entrepreneurs.

### OUR PARTNERS

## CLUB ACTIVITIES AND SOCIETIES

The varsity has innumerable clubs consisting of 25 skill enhancement clubs such as coding club, startup club, Research club, Google club, sports club, cultural club, Yoga and fitness club, Dance club, music club etc. NCC,NSS, Yuva and Rotaract clubs organized several activities throughout the year and bagged the Outstanding Newcomer Award, Institutional Recognition Award, and Best Supporting College Award -2025. They organized outreach programs, awareness programs, workshops, and seminars commemorating various National/International Days of Importance. Our university has collaborations with several prominent technical and professional societies. These include IEEE, CSI, ISTE, ICT, CII, IET, and EDC. These societies on campus organize events and other domain-based student chapter activities that give the students a platform to showcase their talents. In compliance with UGC norms, Our institution has established all statutory and regulatory committees such as Antiragging committee, Internal complaint committee, Internal Quality Assurance Cell, the Grievance Redressal Committee, and other bodies aimed at upholding student welfare, academic quality and institutional governance.

## EXPERT TALK AND EXPOSURE VISIT

Under the distinguished lecture series, we had Eminent academicians from abroad including Dr. Timvan, Professor, Flinders University, Australia, Dr. Yoon Li Wan, Professor, Sunway University, Malaysia, Mr. Thomas Mathew R&D Director, Orchid Pharma, Dr. Rajeshwari, Bioclone Research Ltd. Mr. Vivek Chandran, Manager, Cognizant, IAS officers from Government of India and social scientists were invited to deliver lectures. All our schools are conducting at least one guest lecture per semester related to their program.

Industrial/ Exposure visits are organized to bridge the widening gap between theoretical learning and practical exposure by giving students first-hand exposure to identify the inputs and outputs of different processes performed at the workplace. All our schools are making at least one industrial visit related to their program per semester. Some of the industries visited in the year 2024-2025 are IGCAR, Kalpakkam, IIT, Research park, Thermal power station, Ennore, and outbound training to Sky academy, Coimbatore.

## SPORTS

Recreational and sports facilities have been upgraded on the campus. Our students have made a mark in various sports events at the national/ international level. Our university hosted all India University events Tug of War (Men and women) and ball badminton (Men). Our University sports team bagged a gold medal in powerlifting, a bronze medal in soft baseball women and silver medal in Khelo India games.
