GREEN CAMPUS RECYCLING DRIVE

DATE: 17/09/2025

VENUE: EDUCITY ELIOT SEMINAR HALL

TIME: 11:00AM

The Green Campus Recycling Drive is a pioneering initiative by our club aimed at fostering a culture of environmental responsibility within our community. This event is more than just a clean-up; it's an educational and engaging campaign designed to raise awareness about the importance of waste management and recycling. Our goal is to transform our campus into a model of sustainability and inspire students to become proactive stewards of the environment.

During this drive, we set up designated collection points for various types of recyclable waste, including paper, plastic, and e-waste. Our volunteers guide participants on proper waste segregation techniques, highlighting the impact of each action on the planet. The event also features interactive workshops on upcycling and composting, demonstrating how everyday waste can be repurposed into valuable resources.

CHRISTMAS CELEBRATION - 2025

ABOUT THE EVENT:

This Christmas, the Yuva Club of Jeppiaar University visited Delfina Home to celebrate the season of love with beautiful little hearts.

Through joyful games, fun-filled activities, laughter, and shared moments, we created memories that went beyond celebration. It became a bond of warmth and kindness.

The day reminded us that true joy multiplies when shared, and even the smallest acts of love can light up many lives. Because Christmas is not just a day, it's a feeling.
