

ANNUAL REPORT – 2025-26

It gives me immense pleasure to welcome the newly admitted students to our Jeppiaar University family. On this special occasion of Fresher's Day 2026, I extend my heartfelt congratulations to each one of you for choosing Jeppiaar university as the destination to shape your future.

Our Jeppiaar University is a state-private university established in 2022. This is not just a recent addition to the education sector, but an extension of the visionary journey initiated by the Late Hon. Col. Dr. Jeppiaar through the Jeppiaar Educational Trust four decades ago.

With the dynamic leadership of our Honourable Chancellor, Dr. Regeena J. Murali, the Respected President, Mr. Murali Subramanian, and the young and energetic Vice Presidents, Dr. Margerette and Ms. Magalene, with the advisor Mr. Prakash, our university is achieving excellence in every arena it forays into.

I am happy to present the Annual Report before you, which reflects our University's progress for the academic year 2025-26.

Our University offers multidisciplinary academic programs across various fields and is broadly structured into five.

School of Engineering and Technology,

School of Arts, Humanities and Management,

School of Science and Allied Health Sciences

School of Physical Education and Sports Sciences,

School of Aviation and Logistics

The major institutional highlight of this annual report is that Founder scholarships worth Rs 2 crores have been **awarded** by our Chancellor Madam to economically disadvantaged students from rural areas as well as to students who have demonstrated excellence in sports.

AWARDS & RECOGNITIONS

Our university is listed in the **HIGHER EDUCATION (HE) RANKING 2026** for its outstanding commitment and excellence in maintaining high standards of education and research, and for contributing to the advancement of knowledge and innovation.

Our University has been recognized as a WDSAI (World Data Science & AI Initiative) USA-approved institution, reflecting its commitment to global standards in Data Science and Artificial Intelligence education. This recognition positions our university within the international WDSAI ecosystem and provides an accelerated pathway towards DASCA accreditation.

Our University has also received the prestigious “India Elite Education and Institutional Excellence Award” for its outstanding performance and significant contributions to education.

RESEARCH

Our University is proud to have 33 doctorates, and the rest of the faculty members are in the process of earning their doctoral degrees.

Due to the significant improvement in our university research standards and Quality of Ph.D, 100-plus faculty members from other institutions and industries have also enrolled in our university to carry out their research.

Our university has established Jeppiaar Research and Development Organisation (JRDO), Jeppiaar Incubation Centre, and advanced laboratories and innovation facilities, resulting in a quantum jump in the number of research publications/ patents/ books, participation in seminars, conferences, conducting workshops, delivering lectures, and managing research projects.

COLLABORATIONS WITH UNIVERSITIES

Our University has established strategic collaborations with several reputed International Universities during the academic year 2025-26; some of the prominent partner universities include Judson University, Illinois, USA, the University of Granada, Spain, Handong Global University, South Korea... for reciprocal student /faculty exchange, research, and internships.

During the last semester, 10 Students of our University completed a 10-day internship at University Teknologi Petronas (UTP), Perak, Malaysia. The students have gained international academic exposure, hands-on learning experiences, cultural exchange opportunities, and networking with global professionals and students.

5 final-year students of our University are currently in the process of preparing for the Semester exchange programme at Handong – Global University, South Korea, where full tuition fees have been waived.

This semester, Our University is planning to send interested students to SLIIT(Sri Lanka Institute of Information Technology, Sri Lanka) for an International immersion programme. Freshers you are also encouraged to participate in this unique international learning experience.

Our university has also signed an active and potential Memorandum of Understanding with INFOSYS, L&T Edutech, Board of Apprenticeship Training, Cyber Intelligence Academy, FICCI flow, Rubicon Academy, ABK- Japanese language school, Score getter Go Abroad, and a few students have completed a Japanese course in association with ABK – AOTS DOSOKAI.

EXPOSURE VISIT

All schools of our University arrange at least two expert talks and two industrial visits per semester related to their program to bridge the gap between theoretical learning and practical exposure. Some of the industries visited in the year 2025-2026 are IGCAR, Kalpakkam, IIT Research Park, Thermal Power Station, Ennore & Adhani Port.

We also have arranged outbound training for MBA students to Sky Academy, Coimbatore, and inflight training for Aviation and logistics students to Bangalore by flight during the last semester.

CLUBS, SOCIETIES AND COMMITTEES

The varsity has innumerable skill enhancement clubs such as coding club, startup club, Research club, Google club, sports club, cultural club, Yoga and fitness club, Dance club, music club, etc.

We have the NCC Army wing with an annual intake of 35 students and the NCC Navy wing with an annual intake of 18 students. We also have NSS, Yuva, and Rotaract clubs that organize several activities throughout the year and bagged the Outstanding Newcomer Award, Institutional Recognition Award, and Best Supporting College Award in 2025-26. They organized outreach programs, awareness programs, workshops, and seminars commemorating various National/International Days of Importance.

Our university has collaborations with several prominent technical and professional societies, including IEEE, CSI, ISTE, ICT Academy, CII, IET, and EDC. These societies on campus organize events and other domain-based student chapter activities that give the students a platform to showcase their talents.

In compliance with UGC norms, our institution has also established all statutory and regulatory committees such as the Anti-Ragging Committee, Internal Complaint Committee, Internal Quality Assurance Cell, the Grievance Redressal Committee, and other bodies aimed at upholding student welfare, academic quality, and institutional governance.

SPORTS

Recreational and sports facilities have been upgraded on the campus. Our students have made a mark in various sports events at the national/ international level. The university hosted all-India University events: Tug of War (Men and Women) and ball badminton (Men). Our University student Mr. Vignesh bagged a gold medal in all india inter university power lifting championship

and Mr.Manisharma secured a gold medal in the All-India Inter-University Best Physique Championship. Our university team won 8 gold, 13 silver, and 16 Bronze medals in different interuniversity events

GRADUATES SUCCESS

We proudly celebrated the graduation of two batches of students, marking a significant milestone in the University's journey. All graduating students completed their programmes with a 100% pass rate, and every graduate secured first class.

We are also proud to say that 90% of our students have secured job placements across various government sectors and private organizations, and 10% of the students are pursuing higher studies in India & Abroad. Our students are placed in Government sectors, including the Western Railway, South Eastern Railway, Bank of Maharashtra, Tamil Nadu police, and the Postal Department, reflecting the institution's commitment to diverse and impactful career opportunities. Some of the students are placed in different corporate sectors like TCS, CTS, Accenture, Capgemini, HCL Tech, HDFC Bank, HDFC Life, Kotak Life, Aditya Birla, City Union Bank, Q Spider, KNV Capital, First Source Solutions Ltd, Durus Consulting Ltd, L&T, with a salary of 4-5 lakhs /annum, and a few students have become successful entrepreneurs.

We thank all our stakeholders- parents, Teachers, students, alumni, industries, government organizations, Research organizations, and partner universities for supporting us throughout our journey.

Thank you all
